Copy,

to drink a thought I'd get around to
writing down what I want to say about
you in this yearbook but you're had
it now because now that we started
writing you'll never hear or see the end
of it. But of all to the craziest person
I'll ever meet, the girl with the most
beckles, the only girl that sings Jesus
Christ Superstar on the _____. (don't
worry I won't say it if I did you
wouldn't even have one friend, certainly
never a boy friend but you know where
and the best friend I'll ever have.
I don't know what I did without
you all this time but I certainly
wasn't thinking about finding a friend
like you cause I didn't think God was
crazy enough to create a person like
you and thanks to him he only created
one and I was lucky enough to find
her. (that's you!) So I resemble a chicken
but well you remind me of a dog, you
a dog just out of standing still, in
everybody's way. (all the time looking toward
the summer) I can see a lot of trouble,
anything and everything we'd find
a way to get us into trouble for it.
But don't you worry - we will make it.
Well I better close this letter (for now
that is) because all ready I know you
dying for next year to come to see if
you can find something better than this
to write in my yearbook then what I'll
say in yours. And now for the best
signature of them all.

 something nice - you're really
 cute, you have a great
 personality, a really mean
 temper and you need a job.

We come to Central each day; listen, talk, try to learn. We try out our lives. We come home each night to the community. We are aware of the larger looking glass around us.

In the opening pages we will reflect randomly on us, our work, our drama, our sports, our music, our fun, our faith, and our government.

Homecoming 1973

This year's Homecoming included the bonfire, pep rally, floats competition, the game and the annual dance. In 1973, even though we lost a cliff-hanger game to Lansing Sexton, the Homecoming festivities were better than ever.

Homecoming: The Powder Puff Football Game

The seniors gained revenge this year 8 to zip over the juniors in their annual football game. Pam Clysdale and Debbie VanHoeven quarterbacked for the seniors and juniors respectively. It was a wild game and even the coaches enjoyed it. Another part of Homecoming '73.

Cheerleaders Yell, Scream and Back Our Team

The cheerleading squad this fall stayed buoyant despite their extra academic responsibilities. Vivacious, industrious, and persistent, they combined to give our school's athletic teams spirit and support.

Our maroon and white "Growler" and other cheers are a tradition that go back many years, and this squad is probably one of the best to represent Central in recent years. Mrs. White's bouncy squad exemplify the very best at Central High in 1973-4.

The Harriers finished the season with a four and two season in the 7-A. This year's sophomores and juniors showed promise for next year. Two outstanding runners,

Golf Team Scores 2nd Place In Seven-A League

This year's fall golf team was one of the better teams in years at Central High. They won the G-K Tournament and came in 2nd

in the 7-A League. They also placed six out of 23 teams in the Regional Meet. Their record was 9 and 8. Senior Rick

Blanchard and Junior Chris Nelson were qualified for All-City Honors. Mr. Treloar was really proud of this team this year.

Comedy At CHS

This fall's production of "The Curious Savage" provided two nights of fine comedy entertainment. The cast worked well and hard and the production was exciting and fun.

The plot centers around Ethel's family who decide to commit her to an "institution" so they can get their hands on their recently deceased father's money. It didn't work.

Jackson Searches For The Future

Though it was a time of rebuilding for Don Jackson and his Giants, the 1973-4 season had some bright spots in a long losing season. It was the season when Coach Jackson reached his 100th varsity victory. But in most games the problem was trying to find the right winning combinations for a winning team.

In tight fourth quarter action Coach Jackson would often be seen loosening his tie or on his knees yelling encouragement. Intensity best describes our coach.

Center Johnny Williams was the team's only returning starter and an outstanding spark-plug in a rather dim season. The varsity's record is 4-13, but Coach Jackson has next season to look forward to. Juniors Dave Dame and Tony Johnson, along with sophomores Charles Brandon and Tim Clysdale will provide stiff competition for the Seven-A, and maybe, just maybe we might go to State.

JV's Move Together

"We work together as a group. It's a team effort," says Jayvee Coach Clarence Gardner. The Jayvee is currently in possession of an 8-9 record as the Delphian goes to press. Coach Gardner views the Jayvee team as preparation for the varsity squad.

The team consists of sophomores right up from junior high, and it's a gradual learning experience.

Sophomore Charles Brandon was moved up to Varsity Squad for the Ann Arbor Pioneer Game in which he scored 15 points.

The squad is becoming stronger and promises to enrich our Varsity Team next year considerably.

Spirit Helpers Support Winter Sports

The cheerleaders were busy this winter attending not only basketball games, but swimming meets and wrestling meet, cheering our teams on. The squads both JV and Varsity helped keep up our spirits when we lost, and carried the student body when we won. They were, in short, fantastic.

The junior varsity cheerleaders attended all winter basketball, wrestling and swimming functions cheering our team on. Their indomitable spirit spurred the crowds and helped the athletes on to victories. Mrs. Canard helped out. They all will be back to help out next year.

Kal Giants First In Hockey

Kalamazoo Central's First Hockey Season in the newly formed Southwestern Michigan Hockey Association was a great one. The team wound up with a 9-2-1 record good for the League Championship.

This season Kal Central ranks 3rd in the League with a 9-5-1 record and a good shot at repeating as play off champions for the second year in a row. We wish the team good-luck as our yearbook goes to press.

Central's coaches and players would like to thank the Hockey Boosters Club for helping make it all possible.

There Was Snow

The combination "sock-hop" and Homecoming Dance was a smashing success. Dozens of kids showed up to enjoy the good jams and the fantastic disc-jokeys, Vern Davis and Bill Johnston.

The highlights of the night were the dance contests and the crowning of the Snowfest King and Queen, Gary Szekely and Karen Saville. Ex-King and Queen Dave Knapper and Pam Clysdale crowned Karen while the Court, Kim DeGroat, Mike Coleman, Judy Acker, Jim Westley, Annette Knight, Dan Thomas, Joy Fannin, and Johnny Williams looked on. Grapplers Endure A Disappointing Season As Individuals Shine

Individual strength, skill and stamina of Central's wrestlers provided the backbone for the 1973-1974 Giant Team. Adjusting to their new home here at the new CHS, the grapplers utilized the facilities during practice time and meets. The team posted a disappointing record this year of 4-6, but expects a better and strong team next year.

Despite the less than anticipated team showing, performances by individual grapplers were outstanding. Seniors Craig Dawson and Gary Szekley (team captains) captured many first places and pins this season. Other returning lettermen are Dan Olinger, Rick Foos, Dennis Murphy, and Ken Smith. As the yearbook goes to press Szekely, Dawson, Brown and Olinger are expected to attain the best individual win-loss records for the team.

Mermen Continue To Rebuild

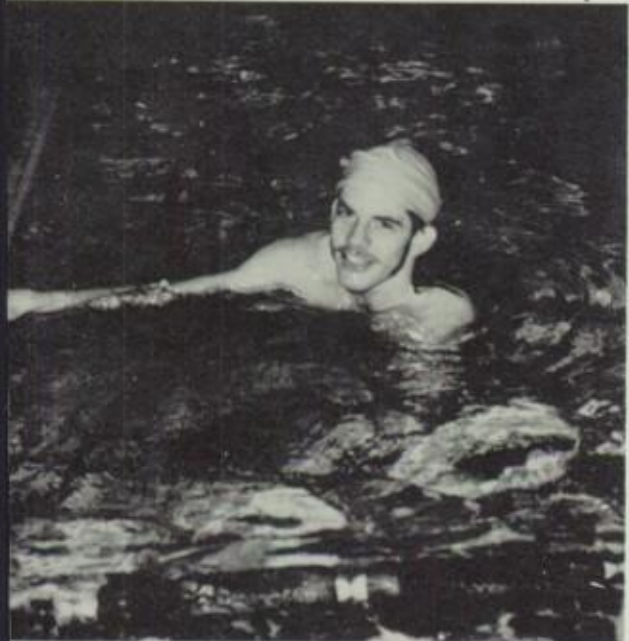

"Timers and judges ready? Swimmers take your marks!" . . . and the 1973-1974 mermen were off to a flying start. Unfortunately two extremely close losses near the beginning of the season — through disqualifications — dampened the finish to the opening meets. This year's team has worked hard, but a mixture of hard luck, and inexperience have held this year's team to more losses than wins (1-6).

Coach Moore is hopeful that the new pool and a year's experience by this young team will make them into winners next year. He has high praise for their maturity and courage.

Outstanding splashers this year have been Jeff Lytle, Brooks Morse, Todd Martin, Gary Tyler, Mark Fry, Mark Ransom, and the Assistant Coach Mr. Weymouth.

Getting Better

The girls basketball team this year was building for the future. Finishing with a season of 9 wins and 7 losses, the girls finished 2nd place in the Southwestern League, tied with Loy Norrix.

They lost a heartbreaker 43 to 42 to Battle Creek Lakeview in the District Tournament, but Mrs. Hall indicates that this team has the potential to go all the way next year.

The Junior Varsity this year was fantastic. They came through with an 11 wins and 4 losses record under the able coaching of Fred Rimm. Next year looks great.

Kal Central's Orchestra Growing Strong

This year the Kalamazoo Central Orchestra, has grown from 33 to 41 members. Practicing fourth hour daily, under the direction of Lawrence Frank, they played a wide variety of classical and modern music. They participated in a fall

Choir-Orchestra concert, as well as playing in the Maroon and White Revue. This year's major accomplishments will be an enlarged classical repertoire and the musical "Guys and Dolls."

Diamond Men Win District Championship

1

The 1973 Baseball Team under the fine coaching of Bill Topp and Marv Signeski put together a fabulous 21 wins and 3 losses record this year and brought home the District Championship to Kalamazoo Central High.

The trophy was added to our already crammed trophy case in front of the gym.

All-State Honors this year were awarded to Kim Rowekamp as one of the finest all-round athletes in the state.

This spring's 1974 squad looks even better with hopes for a possible Regional or State berth in the Tournaments.

Thinclads Bounce Back To 3rd In Seven-A

After a disastrous 1972 season (1-5-0) where the team only won one dual meet, the 1973 Cinder-Huffers bounced back to a surprising third place (4-3-1 record) in the conference, including a very satisfying dual win over Central's old nemesis, Ann Arbor.

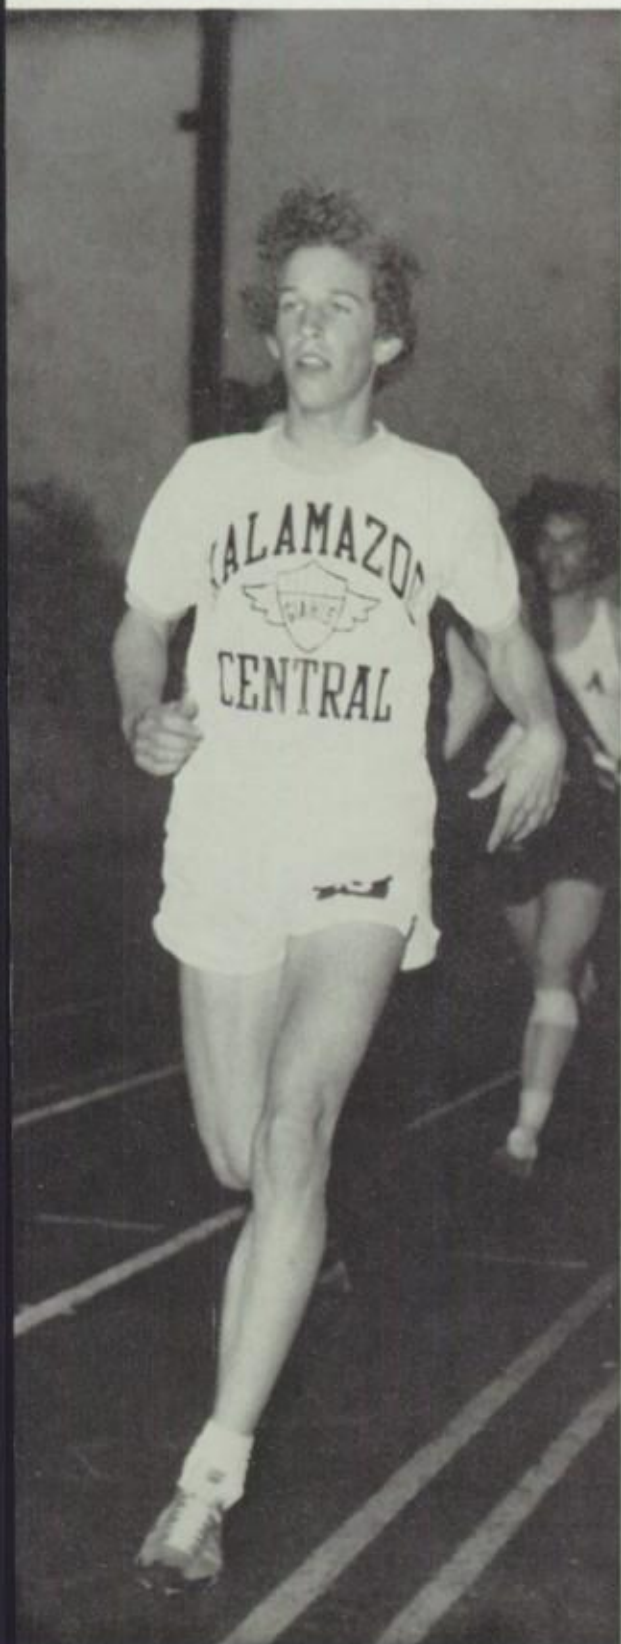

Tom Seibert won first in state in high jump. Dan Thomas won medals in the

Albion Invitationals, 8th in State Meet, and was a Greater Kalamazoo Champion. Mike Coleman was also a Greater Kalamazoo Long Jump Champion.

This year's squad may come together for strong showings in Regional and State Tournaments. Great races are expected from Mike Coleman and Mark Smith in the

sprints; Bob Bowers, Joe Hansen and Jim Abbey in the middle distances; Dan Thomas and Scott Minor in the distances; and Jon Orr in the hurdles.

The field events look very strong with Mike Coleman in the long jump, Dan Bakefin in the high jump, and John Chahbazi in the pole vault.

1. Scott Minor strides into the lead in the mile. 2. Dan Baker squeezes over the bar in the high jump. Sue Robertson and comrades carefully take times.

Whiffers Climb to 2nd in Regionals and 3rd in Seven-A!

The Central High Tennis Team surprised almost everyone in the league this year by scoring an impressive 11 wins and 5 losses during the rainy 1973 season. John Orwin and Judy Acker were strong in the singles,

Cindy Acker and Barb Wetnight first team in the doubles.

Judy Acker and John Orwin were selected for the Greater Kalamazoo Tennis Team. John and Jeff Graham qualified

for the State Tennis finals in doubles.

With the strong 2nd place showing in the Greater Kalamazoo Tennis Tournament and the aggressive 3rd place finish in the 7-A, this year's team may well be close to the best in the state.

Junior-Senior Prom Finds New Home

Central's prom came home this year. Home to Central High. For the first time in many years, the dance was held here in the school cafeteria, instead of Nazareth College.

Most students were apprehensive about it. After all the cafeteria is not a college green.

But all doubts were forgotten on May 31, 1973 when a fine seven piece bongo drummed band with vocalist sent everyone high with their music. Even some teachers were seen dancing.

A sparkling globe spins bits of glittering light over the dancers, and gold stars hung from the ceilings with the names of the couples on them

Cookies, cake and refreshments were provided free, thanks to help of Senior parents.

It looks as though the Junior-Senior Prom is coming back. This spring's dance will be even better.

"Guys and Dolls" Comes to Central

On March 22 and 23rd, 1974 Central's Choir and Orchestra Departments presented the musical production, "Guys and Dolls." Although the Delphian went to press before the production went on stage, we were able to take some pictures of the cast in rehearsal for the production.

Mark Cummings portrayed Sky Master-

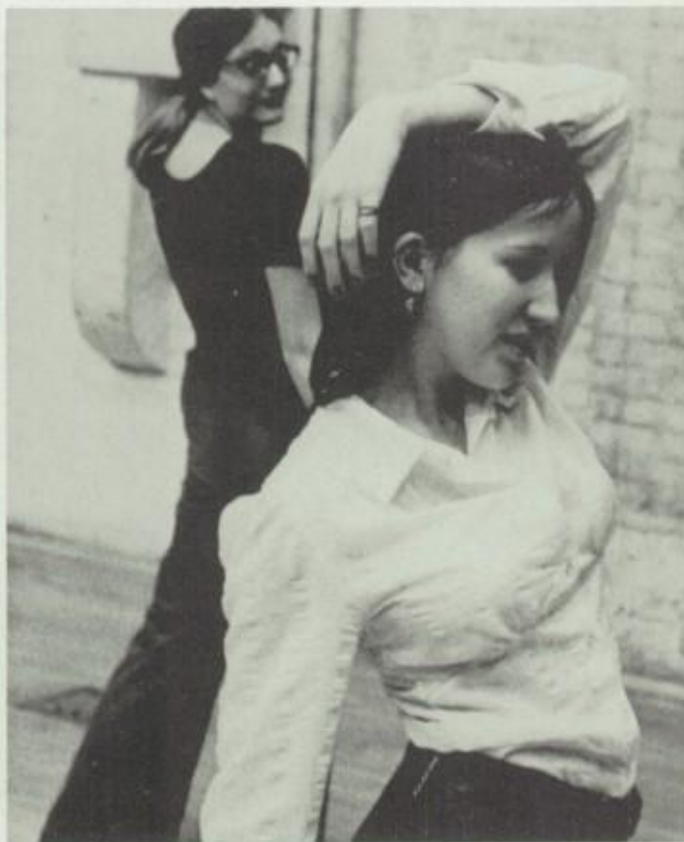

son with Kris Yarger as Miss Sarah Brown, his mission doll. The comic leads were Bill Kelly playing Nathan Detroit and Robin Fulton as Miss Adelaide. Esther Reigel was the General Director with Larry Frank conducting the Orchestra and Robert Christianson as Choreographer.

Production Notes

The Imaginary Invalid is one of the several farce-satires in which Moliere drew material from the medical profession. It attacks not the science of medicine but rather the pedants and charlatans who practiced it and the credulous public which enabled them to gain an acceptance. To many people in the seventeenth century there was perhaps more truth than wit in the observation that "it is better to die by the rules than to be cured by unlicensed remedies."

Argan is the victim of this attitude. Completely gullible by disposition, and motivated by that not uncommon human weakness — an extravagant fear of death — he is willing to sacrifice even the happiness of his family in deference to the ridiculous

professions of the medical "Faculty".

This Kalamazoo Central High production may be described as "selective historical". Without aiming at archaeological accuracy, we have made use of such styles in the seventeenth century acting and staging as will lend effectiveness to a modern performance.

The absence of the front curtain (the use of which had not become an established convention in Moliere's time), the decorative wing set, and the frank theatricalism of the whole presentation — these are instances of our effort to capture the spirit of the kind of theatre that was popular before the invasion of realism and naturalism in the nineteenth century.

4

5

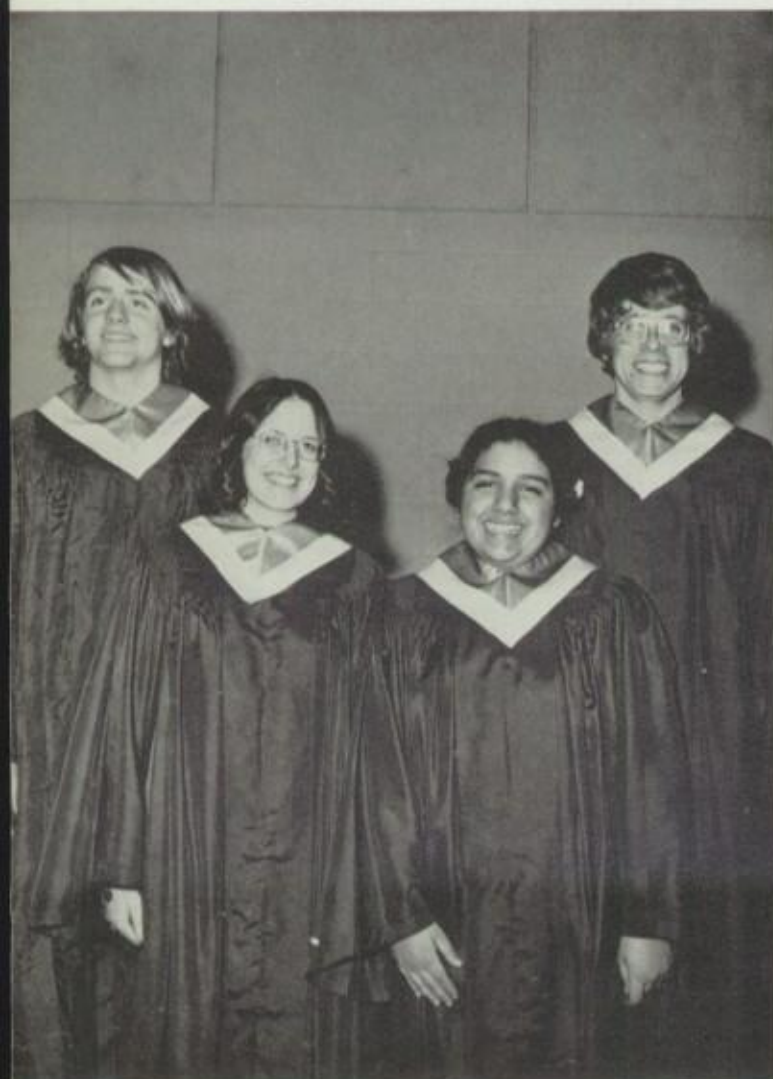

1. Argan is initiated into the Profession by the chief physician (Jeff Smith). 2. Denise Fink and Karlotta Davis set the musical mood for the play. 3. Beline (Lauren Thomas) casts her spell over loving husband, Argan (Michael Goodwyn). 4. Toinet (Tura Roderick) baits her master. 5. Cleanthes (Jim Mandrell) promises his love to Angelique (Majory Washington).

CHS Choir Sings For Everyone

The Central High Choir represents the highest cultural aspirations of our school. They worked hard this year to present the Maroon and White Revue and their winter and spring annual concerts. "Guys and Dolls" is their musical comedy for the spring.

Every year the choir also travels to the elementary and junior high schools in our school system to perform and encourage music education throughout the community. When singing at these schools, they work out their own choreography and presentation. The Choir sings many different kinds of music from many different times and eras.

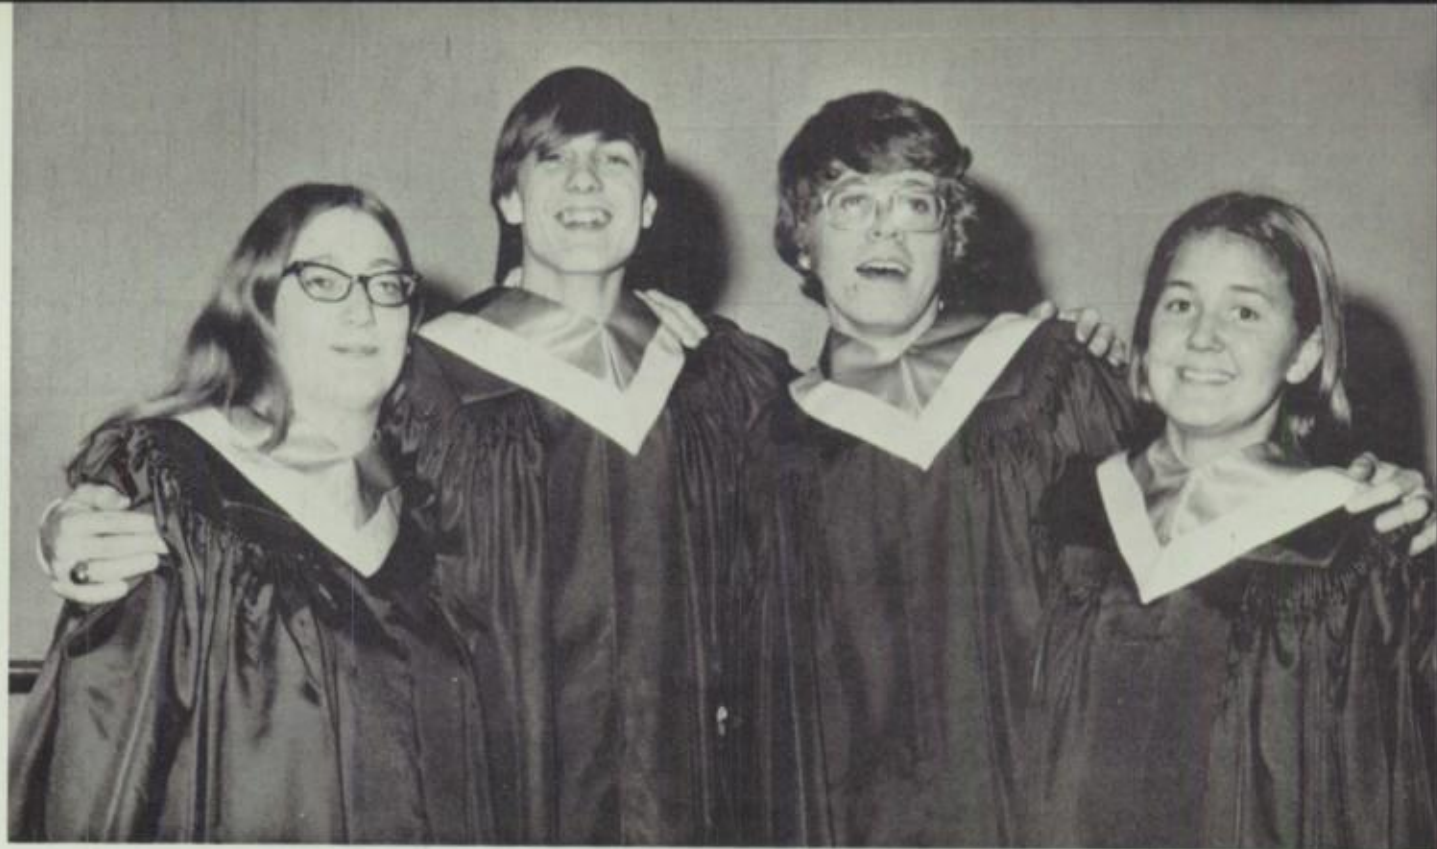

Finally, this year through fund raising projects, the Choir under the able leadership of Mrs. Reigel, has been able to purchase new robes and stoles. The Choir is truly one of our best representatives of esthetic leadership and cultural education.

Industrial Arts Students Construct First Home

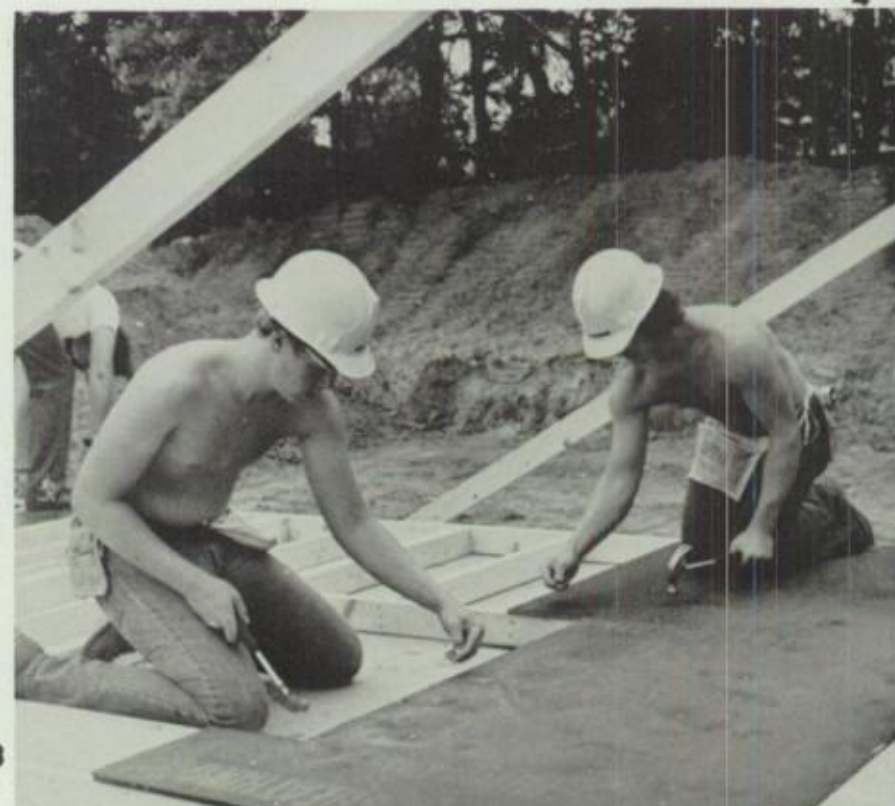

Students from Mr. Hanover's Construction Trades classes, Mr. Payne's Building Trades classes, Mr. Taylor's Electronics classes, and Mrs. Greenman's Home Economics classes, all co-ordinated their educational efforts to help build CHS's first new home.

The exterior was handled by Mr. Hanover, Mr. Payne, and Mr. Taylor, and the interior by Mrs. Greenman.

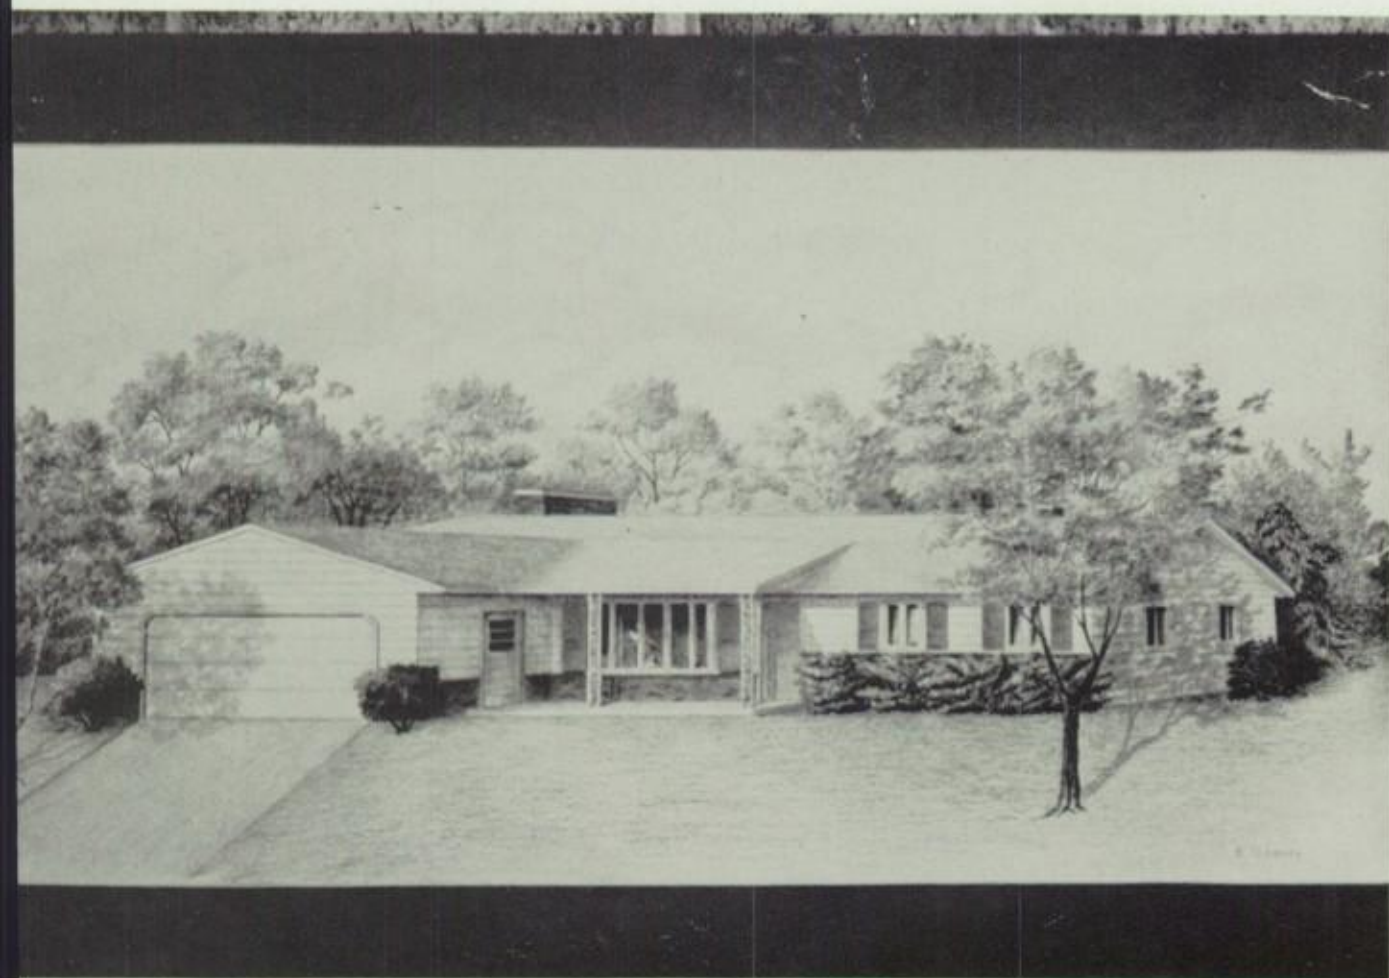

Working in two hour blocks the students put up the walls and the outer shell by the first snow-fall, and at the time the Delphian went to press, the house was almost finished.

Other members of the Board of Directors for the project were Mr. Hagman, Mr. Goodwyn, Mr. Bowers, Mr. Cooper, Mr. Snow, Mr. Ettwein, Mr. Covey and Mr. Van Werden.

The house is located on Skylark Street here in Kalamazoo.

Those students that could be identified are as follows — 1. Paul Brown. 3. Duane Huston. 4. Brooks Morse, Mr. Hanover. 6. Don Prior, Chuck Mallinson.

STUDENTS IDENTIFIED: 1. Paul Brown. 2. Loyal Perry. 3. Chuck Mallinson, Brooks Morse, Dave Vandebroek, Jeff Lytle, Ken Smith, Bill Shafer. 4. Paul Brown.

The Seniors Being Themselves

Well, this is it. We're done and happy that it's over, but sort of sad too. The year was fun. We worked hard and played hard and we hope to look back on it with pleasant memories. Class of 1974 — We're on our way.

Picture 1. Kim DeGroat in her spectacular Afro. 2. Dressing like the fifties; Left to Right: Sarah Highlander, Rick Blanchard, Debra Matthews, Judy Acker, Sue McDaniel, John Chahbazi and Dave Gerstner. 3. Mrs. White and Pam Clysdale talk serious at a B-game. 4. Tura Roderick and Dave Nelsen going a Snow-Fest Dance together. 5. Mike Slocum contemplates intellectual thoughts.

Central High's Administration

Central's Administration has supported the student body more than ever this year: music introduced into the lunch room,

introducing winter homecoming, advising musical and community events, enthusias-

tically supporting homecoming dances, offering PTSA Open Houses, adding new Pep Rallies and strongly supporting the faculty in new curriculum innovations. We are proud of them.

1974 Delphian Staff

This year's Delphian Editors enjoyed their work and had fun too. We had some close calls on deadlines, but with the help of Mr. B., we made it.

A special "Thank-you" goes to Tony Bolden, Gary Keene, Jeff Smith, Mike Slocum, David Oakland, our photographers, and all those students who helped us with our advertising.

We Hoped You Liked It . . .

This year's staff hopes that the student body enjoys the efforts of the Senior Publications Class to put out a truly representative yearbook reflecting all aspects of our life here at Central High.

We hope in the years to come you enjoy looking back as much as we enjoyed living and putting this annual together.

I would like to thank Mr. Bennett, first off, for taking all the lip we have given him, for seeing this yearbook through to the bitter end, and for "worrying" about us.

Thanks also to Jim Thompson of Taylor Publishing Company for his advice; to Powell Studios for supplying us with film, developing our pictures, and helping us out in a pinch; and to all the businesses and companies around our area that have supported us throughout the year.

I would also like to thank Mr. Haw, our Principal, for giving us the freedom we needed to put the book out.

I would like to thank the faculty of CHS for putting up with the Delphian Staff, interrupting classes, nagging about group pictures. You were all very patient with us and we appreciate you.

I hope when we look back we will remember coming to our new high school with a real pool and the bright new gyms, our friends here, the dances, sharing the cheers at the games, and the teachers that were kind to us.

As I look back, there have been many bad times, but also good times. We've all changed in many ways, so I hope that what we've learned at Central and everything we do in the future is what we think is right, and finally . . . remember to have fun at whatever we decide to do.

Andy,
it's too bad we
didn't have no classes
together. I'd be fun having slubby
somebody as goofy as you. We had
remember the good times we had
in 9th. Good Luck,
Marianne

Cindy,
a real good pal
of mine from 4th
hour. We're gonna
have to get together
this summer some-
time. Be cool—

Cindy, I didn't get to
know you very well, but
well enough to know that
you're a real sweet kid.
Don't forget Pedler's class. (I
know it will be hard not
to) I don't do anything I
wouldn't do (the sky's the
limit!) See ya next year
Love ya
